details of your principal, and we will require written confirmation from the principal confirming your authority to bid.

You are specifically referred to the due diligence requirements concerning the presentation of the source of funds, and the warranties you give in the event you are the Buyer, which are contained in paragraph 3 of the Buyer’s Agreement, set out at Appendix 2 at the back of the Catalogue. Nevertheless, as the Bidding Form explains, any person placing a bid as agent on behalf of another (whether or not he has disclosed that fact) will be jointly and severally liable with the principal to the Seller and to Bonhams under any contract resulting from the acceptance of a bid. Equally, please let us know if you intend to nominate another person to bid on your behalf. This is to ensure that this is not to be put out by us pursuant to a Telephone or Absentee Bidding Form that you have completed. If we do not approve the agency arrangements in writing before the Sale, we are entitled to assume that the person bidding at the Sale is bidding on his own behalf. Accordingly, the person bidding at the Sale will be the Buyer and will be liable to pay the Hammer Price and Buyer’s Premium and associated charges. If we approve the identity of your agent, however, we will be in a position to address the invoice to your principal rather than you. We will require proof of the agent’s client’s identity and residence in advance of any bids made by the agent on his behalf. Please refer to our Conditions of Business and contact our Customer Services Department for further details.

Bonhams undertakes Customer Due Diligence (CDD) into its Sellers and Buyers as required by the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 ("the Regulations"). Bonhams’ interpretation of the Regulations and Treasury Approved Industry Guidance is that CDD under the Regulations is not required by Buyers into Sellers at Bonhams auctions or vice versa.

On the lot being knocked down to the Buyer, a Contract for Sale of the Lot will be entered into between the Seller and the Buyer on the terms of the Contract for Sale as set out in Appendix 1 at the back of the Catalogue. You will be liable to pay the Purchase Price, which is the Hammer Price plus any applicable VAT. At the same time, a separate contract is also entered into between us as Auctioneers and the Buyer. This is our Buyer’s Agreement, the terms of which are set out in Appendix 2 at the back of the Catalogue. Please read the terms of the Contract for Sale and our Buyer’s Agreement contained in the Catalogue in case you are the successful Bidder including the warranties as to your status and source of funds. We may change the terms of either or both of these agreements in advance of their being entered into, by notice to all interested parties including but not limited to different terms in different Catalogues and/or by placing an insert in the Catalogue and/or by notices at the Sale venue and/or by oral announcements before and during the Sale. It is your responsibility to make yourself aware of the up to date terms of the Buyer’s Agreement for this sale.

condition and without defects, repairs or restorations. Most clocks and watches have been repaired in the course of their normal lifetime and may now incorporate parts not original to them. Furthermore, Bonhams makes no warranty as to the clock or watch in its working order. As clocks and watches often contain fine and complex mechanisms, Bidders should be aware that a general service, change of battery or repair work, for which the Buyer is solely responsible, may be necessary.

17. FIREARMS – PROOF, CONDITION AND CERTIFICATION Proof of Firearms

The term “proof exemption” indicates that a firearm has been examined at a Proof House, but not proved, as either (i) it was deemed of interest and not intended for use, or (ii) ammunition was not available.

In either case, the firearm must be regarded as unsafe to fire unless subsequently proved. Firearms proved for Black Powder should not be used with smokeless ammunition.

The term “Certificate of Unprovability” indicates that a firearm has been examined at a Proof House and is deemed both unsuitable for proof and use. Proof is required before any such firearm is to be used.

Guns Sold as Parts

Barrels of guns sold as parts will only be made available for viewing and measurements once rendered unserviceable according to the Gun Barrel Proof Act of 1985 and the Rules of Proof.

Condition of Firearms

Comment in this Catalogue is restricted, in general, to exceptional condition and to those defects that might affect the immediate safety of a firearm in normal use. An intending Bidder unable to make technical examinations and assessments is recommended to seek advice from a gunmaker or from a modern firearms specialist. All prospective Bidders are advised to consult the proof of bore and wall-thickness measurements posted in the saleroom and available from the department. Bidders should note that guns are stripped only where there is a strong indication of a mechanical or construction problem. Stripping is, otherwise, not undertaken. Guns intended for use should be stripped and cleaned beforehand. Hammer guns should have their rebound mechanisms checked before use. It is not possible for mechanisms of all guns must be tested before use. All measurements are approximate.

Original Gun Specifications Derived from Gunmakers

The Sporting Gun Department endeavours to confirm a gun’s original specification and data of manufacture with makers who hold their original records.

Licensing Requirements

Firearms Act 1968 as amended

Bonhams is constantly reviewing its procedures and would remind you that, in the case of firearms or shotguns subject to certification to conform with current legislation, Bonhams is required to, as appropriate, your original registered firearms dealer’s certificate / shot gun certificate / firearms certificate / firearm (depending on the section 5 authority or import licence (or details of any exemption from which you may benefit, for instance Crown servant status) for the firearm(s) you have purchased prior to taking full payment of the amount shown on your invoice. Should you not already be in possession of such an authority or exemption, you are required to initially pay a deposit of 95% of the total invoice with the balance of 5% payable on presentation of your valid certificate or licence showing your authority to hold the firearm(s) concerned.

Please be advised that if a successful Bidder is then unable to produce the correct paperwork or identification reordered by Bonhams in the next appropriate Sale, on standard terms for Sellers, and you will be responsible for any loss incurred by Bonhams on the original Sale to you.

In the case of RFD certificates and Section 5 authorities, we wish to keep an up-to-date copy on file. Please supply us with a Fax or photocopy. It would be helpful if you could send us an updated copy whenever your certificate or registration is renewed or changed.

Lots marked ‘ST’ and bearing red labels are Section 1 firearms and require a valid British Firearms certificate, RFD Licence or import licence.

Lots marked ‘SD’ and bearing marked red labels are Section 5 prohibited firearms and require a valid Section 5 Authority or import licence.

Lots marked with a ‘SQ’ and bearing yellow labels are for obsolete calibres and no licence is required unless ammunition is held. Unmarked Lots require no licence. Please do not hesitate to contact the Modern Sporting Gun Department should you have any queries.

Taxidermy and Related Items

On behalf of the Seller of these articles, Bonhams undertakes to comply fully with CITES and DEFRA regulations. Buyers are advised to inform themselves of all such regulations and should expect the exportation of items to take some time to arrange.

18. FURNITURE

Upholstered Furniture

Whilst we take every care in cataloguing furniture which has been upholstered we offer no guarantees as to the originality of the wood covered by fabric or upholstery.

19. JEWELLERY

Gemstones

Historically many gemstones have been subjected to a variety of treatments to enhance their appearance. Sophries and rubies are routinely heat treated to improve their colour and clarity, similarly emeralds are frequently treated. The result is generally not always readily detectable by the unaided eye. Other treatments such as staining, irradiation or coating may have been used on other gemstones. These treatments may be permanent, whilst others may need special care or re-treatment over the years to retain their appearance. Bidders should be aware that Estimates assume that gemstones may have been subjected to such treatments. A number of laboratories issue certificates that give more detailed descriptions of gemstones or clarify the nature and extent of treatments. These certificates will be disclosed in the Catalogue. Although, as a matter of policy, Bonhams endeavours to provide certificates from recognised laboratories for certain lots, the Buyer should check whether the information for each Lot in the event that no certificate is published in the Catalogue, Bidders should assume that the gemstones may have been treated. Neither Bonhams nor the Salisbury Company Ltd make any effort to ensure accuracy, the data shown on the Date Plate or Date Certificate cannot be guaranteed as correct and intended purchasers should make their own enquiries as to the date of the piece.

20. PORCELAIN AND GLASS

21. PICTURES

22. PORCELAIN AND GLASS

Damage and Restoration

For your guidance, in our Catalogues we attempt to deal, as far as practicable, all significant defects, cracks and restoration. Such practical guidance may be approximate and not definitive, and in providing Condition Reports, we cannot Guarantee that there are no other defects present which have not been mentioned. Bidders should satisfy themselves by inspection, as to the condition of each Lot.

Please see the Contract for Sale printed in this Catalogue. Because of the difficulty in determining whether an item of glass has been repaired, in our Catalogues reference is only made to visible chips and cracks. No mention is made of repolishing, seizures or otherwise.

23. VEHICLES

The Veteran Car Club of Great Britain

Data Plate and Certificate

When mention is made of a Veteran Car Club Data Plate or Date Certificate in this Catalogue, it should be borne in mind that the Veteran Car Club of Great Britain is not the same as the services of Veteran Car Company Ltd, does from time to time, review cars already dated and, in some instances, where fresh evidence becomes available, the review can result in a change of dates. Whilst the Data Plate and Certificate Ltd make every effort to ensure accuracy, the date shown on the Date Plate or Date Certificate cannot be guaranteed as correct and intended purchasers should make their own enquiries as to the date of the car.

24. WINE

Lots which are lying under Bond and those liable to VAT may not be available for immediate collection.

Exporting the Wine

It is occasionally possible to provide a pre-Sale tasting for larger parcels (as defined below). This is generally limited to more than every case of twenty bottles. It is not our policy to inspect every unopened case. In the case of wines older than 20 years the boxes will usually have been opened and levels and appearance noted in the Catalogue where necessary. You should make proper allowance for variations in ullage levels and conditions of corks, capsules and labels.

Corks and Ullages

Ullage relates to the space between the base of the cork and the wine. Ullage levels for Bordeaux shaped bottles are only normally noted when below the neck and for Burgundy, Alsace, German and Cognac shaped bottles when greater than 4 centimetre (cm). Acceptable ullage levels increase with age, generally acceptable levels are as follows:

- Under 15 years old – into neck or less than 4cm
- 15 to 30 years old – top shoulder (b) or up to 5cm
- Over 30 years old – high shoulder (h) or up to 6cm

It should be noted that ullages may change between publication of the Catalogue and the Sale and that corks may fail as a result of transporting the wine. We will only accept responsibility for Descriptions of condition of the time of payment of the hammer price, although such options will be at the Seller’s discretion. Absentee Bidders are, therefore, advised to bid on the first Lot in a parcel.

Wines in Bond

Wines lying in Bond are marked ∆. All Lots sold under Bond, and which the Buyer wishes to remain under Bond, will be invoiced without VAT or Duty on the Hammer Price. If the Buyer wishes to take the Lot as Duty paid, UK Excise Duty and VAT will be added to the Hammer Price on the Invoice.

Buyers may request Bonhams at the time of the sale whether they wish to take their wines under Bond or Duty paid. If a Lot is taken under Bond, the Buyer will be responsible for all VAT, Duty, clearance and other charges that may be payable thereafter.

Bidders outside the UK must be aware that any forwarding agent appointed to export their purchases must have a movement certificate for lots to be released under Bond.

Bottling Details and Case Terms

The following terms used in the Catalogue have the following meanings:

- BB – Bordeaux bottled
- BE – Belgian bottled
- BR – Bordeaux bottled
- CH – Château bottled
- € – Euro bottled
- GB – German bottled
- OP – Oporto bottled
