Motor vehicle customs duty, calculated at 2.5% of the import value, and associated import fees are payable by the buyer on all lots marked with an omega symbol (Ω). However, if the purchased lot is exported within certain criteria, the duty may be refundable.

BIDDER REGISTRATION

To recognize bidders during the sale, all intending buyers are required to complete a Bidder Registration Form giving full identification and appropriate references before the sale which will enable them to bid by means of a number allocated to them. Bidders may wish to pre-arrange suitable check or credit approval, and we recommend you speak with Client Services at +1 (212) 644 9001.

REFERENCES

Prospective buyers in this sale should be prepared to supply bank references in time to allow them to be checked before the auction. Unless payment or credit arrangements are cleared with Bonhams in advance of the sale, all sold lots subject to pending references or full payment in cleared funds will be removed to storage at the buyer's expense and risk. In any event, the full purchase price is payable to Bonhams no later than 12pm on Monday, May 5.

ESTIMATES

Bonhams catalogues include low and high value estimates for each lot, exclusive of the buyer's premium and tax. The estimates are provided as an approximate guide to current market value based primarily on previous auction results for comparable pieces, and should not be interpreted as a representation or prediction of actual selling prices. They are determined well in advance of a sale and are subject to revision. Please contact us should you have any questions about value estimates.

RESERVES

The seller may place a reserve on their property, which is the minimum hammer price the seller is prepared to accept for a lot. This figure is confidential.

BIDDING AT AUCTION

At Bonhams, you can bid in many ways: in person, by absentee bid, over the phone, or via Bonhams' online bidding facility. Absentee bids can be submitted in person, online, or email.

A valid Bonhams client account is required to participate in bidding activity. You can obtain registration information online, at the reception desk, or by calling our Client Services Department.

By bidding at auction, whether in person or by agent, by absentee bid, telephone or other means, the buyer or bidder agrees to be bound by the Conditions of Sale. We assume no responsibility for failure to execute bids for any reason whatsoever.

Lots are auctioned in consecutive numerical order as they appear in the catalogue. The auctioneer will normally open the bidding below the low estimate and usually proceed in increments of around 10% of the bidding price. The auctioneer may vary the bidding increments and may split or reject a bid at their discretion. The auctioneer may also execute bids on behalf of the consignor up to the amount of the reserve, but never above it.

ABSENTEE BIDS

Bonhams can execute absentee bids when instructed in a timely manner. Lots will be bought as inexpensively as is allowed by other bids and reserves. Please ensure your absentee bid is sent to Bonhams well in advance of the auction.

TELEPHONE BIDS

If you are unable to attend the sale and require additional flexibility over an absentee bid, Bonhams is pleased to offer a telephone bidding facility for this sale, subject to availability. Should you wish to bid by telephone, please contact our Client Services Department for more information.

ONLINE BIDS AND BIDDING

Internet users may place absentee bids online from anywhere in the world. To place a bid online, please visit our website at www.bonhamscars.com.

In addition, we are pleased to make our live online bidding facility available for this sale. Additional terms and conditions of sale relating to online bidding will apply. Please see www.bonhamscars.com/miami or contact the Client Services Department to obtain information and learn how you can register and bid online.

Solely for the convenience of bidders, a currency converter may be provided at Bonhams sales. The rates quoted for the conversion of other currencies to US Dollars are indications only and should not be relied upon by a bidder, and neither Bonhams nor its agents shall be responsible for any errors or omissions in the operation or accuracy of the currency converter.

Any viewer who damages a lot will be held liable for all damage caused and shall reimburse Bonhams or its agents for all costs and expenses relating to rectification of such damage.

Conditions of Sale for Motor Vehicles

The following Conditions of Sale, together with the Bidder Information included in this Catalogue, as amended by any Saleroom Notices, other published or posted notices or any verbal announcements during the Sale, set forth the terms and conditions on which property listed in the Catalogue shall be offered for sale or sold by Bonhams and any Seller of such property for whom Bonhams acts as agent. By registering to bid and/or by bidding in the Sale the Buyer/bidder agrees to be bound by these terms and conditions.

If live online bidding is made available for this Sale, additional terms and conditions will apply to bidders participating in the Sale via Bonhams' live online bidding system, which supplemental online terms and conditions shall be deemed a part of these Conditions of Sale. Please see www.bonhams.com/WebTerms for more information.

1. DEFINITIONS

In these Conditions of Sale, the following words and expressions shall (unless the context requires otherwise) have the following meanings:

1.1 'Auctioneer' means the representative of Bonhams conducting the auction, including any local auctioneer or affiliated entity Bonhams may engage to assist with the Sale.

1.2 'Bonhams' means Bonhams & Butterfields Auctioneers Corporation (including where applicable its authorized representatives and affiliated entities).

1.3 'Buyer' means the person to whom the Lot is knocked down by the Auctioneer or otherwise acknowledged as the Buyer by Bonhams (see paragraph 7.1).

1.4 'Catalogue' means the booklet or digital rendering in which these Conditions of Sale appear or the online lot listing which links to these Conditions or Sale, as may be amended by the saleroom notices or any other published or posted notices at the Sale and/or online, or any verbal announcements during the Sale.

1.5 'Hammer Price' means the price in U.S. dollars (or

the currency in which the sale of the Lot is conducted) at which a Lot is knocked down by the Auctioneer to the Buyer of the Lot.

1.6 'Lot' means each lot of property purchased at the Sale by the Buyer.

1.7 'Buyer's Premium' shall have the meaning given in paragraph 8 of these Conditions of Sale.

1.8 'Purchase Price' means the sum of the Hammer Price, the Buyer's Premium, any applicable import duty, any license and/or documentation fees, and any sales, use or other tax due to any governmental authority as a result of the Sale of the Lot.

1.9 'Reserve' means the minimum Hammer Price agreed between Bonhams and the Seller at which a Lot may be sold, which amount shall not exceed the low pre-sale estimate for the Lot.

1.10 'Sale' means the auction, as set forth in the Catalogue.

1.11 'Seller' means the person who offers the Lot for sale.

2. BONHAMS AS AGENT

Bonhams sells as agent for the Seller (except in limited instances where it may be selling a Lot as principal) and is not responsible for any breach or default by the Seller or the Buyer. Occasionally, Bonhams may have a legal, beneficial, or financial interest in a Lot.

If Bonhams or one of its affiliated companies within the Bonhams Group has an ownership or equivalent economic interest in a Lot, in whole or in part, such interest will be indicated by the symbol next to the lot number.

3. CURRENCY CONVERTER

Solely for the convenience of bidders, a currency converter display may be provided at Bonhams' sales. The rates quoted for conversion of other currencies to U.S. dollars (or the currency in which the relevant sale is conducted) are indications only and should not be relied upon by anyone, including any bidder, and

neither Bonhams nor its agents shall be responsible for any errors or omissions in the currency converter. The bid price stated by the Auctioneer is the prevailing and binding bid price.

4. BONHAMS' DISCRETION; IMPLEMENTATION OF RESERVES

4.1 Bonhams shall have the right, in its absolute and sole discretion, to refuse any bid, to divide any Lot, to combine two or more Lots, to withdraw any Lot from the Sale at any time and, in the case of any error or dispute with respect to bidding to determine the successful Bidder, to re-open the bidding, to cancel the sale, or to re-offer and re-sell the Lot. In the case of any dispute with respect to bidding, Bonhams' records shall be conclusive.

4.2 Bonhams shall have the right, in its sole discretion, to cancel or rescind the sale of any Lot if (i) the Buyer is in breach of the Buyer's warranties (see paragraph 7.3); (ii) Bonhams, in its sole discretion considers that such transaction might be unlawful or might subject Bonhams, the Seller or the Buyer to any liability, including liability to any third party; (iii) if Bonhams is prevented by fire, theft or any other reason whatsoever from delivering any Lot to the Buyer or a sale otherwise cannot be completed; or (iv) there are any other grounds for cancellation under these Conditions of Sale. In the event of a sale cancellation or rescission, Bonhams' liability shall be limited to the sum of the Purchase Price actually paid for the Lot by the Buyer and shall in no event include any compensatory, incidental or consequential damages.

4.3 All Lots are offered subject to a Reserve unless otherwise indicated in the Catalogue. If a Lot is offered subject to a Reserve, Bonhams may implement such Reserve by the Auctioneer's bidding on behalf of the Seller, whether by opening bidding or continuing bidding in response to other bidders, until reaching the Reserve. If Bonhams has an interest in a Lot and the sale proceeds therefrom other than its commissions and fees, the Auctioneer may bid therefor until reaching the Reserve to protect such interest. Sellers are not allowed to bid on their own Lots.

5. INJURY ON BONHAMS' PREMISES; DAMAGE TO LOTS ON VIEW

5.1 Bonhams shall not be liable for any loss, damage or injury sustained by any person while on Bonhams' premises (including the third-party premises where a sale, pre-sale viewing or inspection may be conducted) or a Lot, or a part of a Lot, may be on view from time to time, except where such loss, damage or injury is caused by the sole negligence or intentional act of Bonhams, its agents or employees.

5.2 Any prospective bidder or Buyer who damages a Lot, whether negligently or intentionally, will be held liable for all resulting damage and loss and shall pay or reimburse Bonhams (and its principal or agent, as the case may be) in full to rectify the same.

6. BIDDER REGISTRATION

6.1 No person shall be entitled to bid at the Sale without first having completed and delivered to Bonhams a bidder registration form and any other requested information or references, which shall be subject to Bonhams' acceptance in its sole discretion. Prospective bidders' attention is drawn to the bidder registration form appearing elsewhere in this Catalogue and related information appearing under the heading 'Bidder Information'.

Individuals will be required to provide government-issued proof of identity and proof of residence. Entity clients will be required to provide certificate of incorporation or equivalent documentation showing the name and registered address, documentary proof of officers and beneficial owners, and proof of authority to transact.

6.3 Bonhams reserves the right to request further information in order to complete bidder identification procedures and at its sole discretion to decline to register any person as a bidder and to reject any bid.

6.4 Bonhams may also request a financial reference

(such as a bank letter written on bank letterhead) and / or deposit from bidders before allowing them to bid.

6.5 In order to register to bid, bidders may be required to pay a bidder registration fee as listed in the Bidder Information section. 9. CONTRACT OF SALE

9.1 On the acceptance of a bid by the fall of the Auctioneer's hammer a contract of sale is made between the Seller and the Buyer. Except in cases where it is acting as selling principal, Bonhams is not a party to the contract of sale and shall not be liable for any breach or default thereof by either the Seller or the Buyer.

9.2 Title to the Lot shall pass to the Buyer when the full Purchase Price for the Lot has been received by Bonhams; provided, however, that Bonhams makes absolutely no representation or warranty with regard to the quality or marketability of such title.

10. PAYMENT

The Purchase Price must be paid in full to Bonhams by cashier's check, money order, or wire transfer in United States currency, no later than the date and time specified in the 'Bidder Information' section of this Catalogue. Upon prior arrangement with Bonhams, the Buyer also may pay for a Lot by personal or business

check with approved credit, but the Purchase Price shall not be deemed received and the Lot will not be released until the check has cleared for payment. A processing fee will be assessed on any returned checks. Please note that the amount of cash notes and cash equivalents that can be accepted from a given Buyer may be limited.

11. REMOVAL OF LOT

11.1 The Lot must be removed from the preview premises no later than the date and time specified in the 'Bidder Information' section of this Catalogue.

11.2 In the event a Lot is not removed timely as provided in paragraph 11.1, Bonhams reserves the right to remove the Lot to storage at the Buyer's risk and expense, whereupon the Buyer shall become liable for uplift, removal, storage and handling charges and applicable taxes as described in the 'Bidder Information' section of this Catalogue. The Buyer hereby grants Bonhams an irrevocable power of attorney to remove and store such Lot at the Buyer's risk and expense.

12. RISK OF LOSS OR DAMAGE TO LOT

The Buyer shall be responsible for any loss or damage to the Lot from the time the contract of sale is made as described in paragraph 9.1, and neither Bonhams nor its employees or agents shall be liable for any loss or damage to or caused by all or any portion of the Lot from and after that time.

Packing and handling of purchased Lots are at the responsibility and entire risk of the Buyer. Bonhams is not responsible for any acts or omissions in our packing or shipping of purchased Lots or any acts or omissions of other carriers or packers of purchased Lots, whether or not recommended by Bonhams.

13. VEHICLE REGISTRATION; TAXES AND DOCUMENTATION FEES

13.1 The Buyer is advised that laws in several jurisdictions require that a Lot which is a motor

vehicle be registered with governmental authorities, and that a certificate of title is usually necessary in order to obtain such registration. Bonhams makes no representation or warranty with regard to any registration or title document which may accompany the Lot (whether delivered at or following the Sale) or with regard to the future issuance of any title or registration document concerning the Lot. The Buyer of a Lot is solely responsible for making its own independent investigation with regard to the registrability of the Lot and ensuring that it is registered as may be required by law.

13.2 The Buyer is responsible to pay all city, state, federal and any and all other taxes due, unless exempt by law. Proof of exemption is the Buyer's responsibility and subject to Bonhams' verification. With respect to any Buyer that is a resident of any jurisdiction in which Bonhams is not a registered motor vehicle dealer or for which Bonhams does not otherwise collect sales tax and documentation or licensing fees on registrable vehicles, or any Buyer of a Lot for which Bonhams fails to collect such taxes or fees for any reason, such Buyer shall be solely responsible for the payment of any sales or use tax arising from the sale and delivery of any Lot purchased hereunder, as well as for any registration of a motor vehicle Lot and associated taxes and documentation and licensing fees. Buyer hereby agrees to defend, indemnify and hold harmless Bonhams against any claims or assessments by any state, county or other governmental agency for any failure to register a motor vehicle Lot and for any unpaid sales or use taxes and any unpaid documentation and licensing fees (including any interest and penalties that may accrue or be assessed thereon) arising from the sale of a Lot.

14. EXPORT LICENSE

Buyer shall be solely responsible, including the payment of any cost or fee, for timely obtaining any necessary license or permit or any certificate of title to export the Lot from the United States of America (and/or to import the Lot into any foreign jurisdiction).

15. NON-PAYMENT OF PURCHASE PRICE

If the Purchase Price is not paid in full and/or the Lot is not removed in accordance with paragraphs 10 and 11 of these Conditions of Sale, Bonhams may, as agent for the Seller and for itself, as the case may require, in its absolute discretion, and without any notice to Buyer, exercise one or more of the following remedies, in addition to any other remedy it may have at law or in equity:

- (a) Resell the Lot, by auction or private sale, with or without Reserve, and hold the original Buyer liable for the payment of any deficiency upon resale plus all costs and expenses of both sales, Bonhams' commissions at its standard rates, all other charges due hereunder plus expenses, attorney's fees and any incidental damages;
- (b) Arrange for the removal and storage of the Lot at the risk, cost and expense of Buyer;
- (c) Charge the Buyer interest in the amount of one and one-half percent (1.5%) per month, or the maximum amount allowed by law, whichever is greater, on any amount of the Purchase Price which remains outstanding from the date the Purchase Price becomes due under these Conditions of Sale;
- (d) Offset any sums due from Bonhams to the Buyer against the outstanding Purchase Price; or, sell any property of Buyer in Bonhams' possession and control and apply the net sale proceeds from such sale against the outstanding Purchase Price;
- (e) Cancel the sale of the Lot, or any other Lot, to the Buyer at any time, retaining as liquidated damages all payments made by the Buyer;
- (f) Repossess any Lot for which the Purchase Price is overdue and thereafter resell the same;
- (g) Institute legal proceedings for damages or specific performance.
- (h) Reveal the Buyer's identity and contact information to the Seller.

16. ABSENTEE, TELEPHONE AND ONLINE BIDS

Absentee, telephone and online bidding are services provided by Bonhams as a convenience to bidders on an "as available" basis, and Bonhams cannot be held responsible for errors or omissions with respect to the bidding process, including failure to execute any bid. At its discretion, Bonhams will execute absentee bids and accept telephone bids and online bids via bonhams.com, provided that neither Bonhams nor its employees or agents will be liable for any error or default (whether human or otherwise) in doing so or for failing to do so. 17. BONHAMS' COPYRIGHT

Bonhams shall have the right to photograph, reproduce photographs of, exhibit and describe the Lot. Buyer hereby grants to Bonhams the right to illustrate and photograph the Lot and to use Buyer's name in connection with the Lot. Bonhams shall own the copyright in all such illustrations, photographs and written descriptions of the Lot produced by Bonhams, and Buyer shall have no right, title or interest therein.

Such arbitrator shall make all appropriate disclosures required by law.
